Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. §§ 1.56 and 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention to References C01-C04, cited on the attached Revised PTO Form 1449. A copy of references C01-C04 is also submitted herewith.

Identification of the listed references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references therein as "Prior Art." As an alternative, Applicants submit herewith a "revised PTO Form 1449" entitled "List of References Cited By Applicant" instead of "List of Prior Art Cited."

Applicants respectfully request that the Examiner review all of the references and make them of record in the present application by signing and returning the enclosed List of References Cited.

Pursuant to 37 C.F.R. § 1.97(b)(3), this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits, so that no fee is believed to be due. However, should the Patent Office determine otherwise, please charge the required fee to Morgan, Lewis & Bockius LLP Deposit Account 50-0310.
